

LENEVIN®

BIO JASMINE OINTMENT

Our certified organic jasmine ointment is made with the delicate flowers of Arabian jasmine from Southeast Asia and strengthens as well as soothes sensitive skin around the eyes.

The unique combination of low molecular weight hyaluronic acid and vitamin E actively prevents signs of aging in the eye area and helps to revitalize the skin.

Our intensive care formula is based on high-quality, moisturizing organic aloe vera leaf juice instead of water. Unrefined shea butter, anti-inflammatory hemp seed oil, skin-strengthening guggul, and sunflower seed oil ensure healthy and supple skin.

Especially suitable for mature, sensitive, irritated, and dry skin.

The Lenevin Quality Promise

100% Vegan // 100% Cruelty-Free //

0% Artificial Colors and Fragrances // 0% Microplastics //

0% Synthetic Preservatives // 0% Silicones //

0% Parabens & Sulfates // 0% Mineral Oils //

NATRUE®-CERTIFIED NATURAL COSMETICS

Sustainability

Our one Earth is close to our hearts. That's why we stand AGAINST greenwashing and FOR genuine climate awareness and transparency. The international organization ClimatePartner® regularly audits our operations. With their help, we offset 100% of our CO2 footprint in cultivation, production, and transport and support impactful projects in areas affected by climate disasters. Learn more at www.climate-id.com/VEIADZ.

For our sustainable packaging, we use cardboard made from 35% grass fibers and 65% recycled paper, as well as recycled glass from Germany.

Customer Service

We are available for you every day via email at service@lenevin.de.

Notes

- Storage: Store in a closed container at room temperature. Do not expose to direct sunlight.
- If allergic reactions occur, please discontinue use.
